DISPUTE RESOLUTION POLICY / HANDLING COMPLAINTS

This policy governs complaints from students respecting Can Quest and any aspect of its operations.

The student will not be subject to any form of retaliation as a result of filing a complaint.

All student complaints must be made in writing.

The student must provide the written complaint to the Director who is responsible for making determinations in respect of complaints. If the Director of education is absent or is named in a complaint, the student must provide the complaint to the Director of Administration.

The process by which the student complaint will be handled is as follows:

The student should submit a written complaint with information such as date and location, the individual(s) involved, details of the incident with solid proof.

Written reasons for the determination will be provided to the student within 30 days after the date on which the complaint was made. The student making the complaint may be represented by an agent or a lawyer. The school authorities will review the student's appeal and make a final decision, which could be one of the following:

- Confirming the initial decision
- Rejecting the student's appeal with reasons
- Re-accepting the student on a conditional basis for a specified period of time.

If the student is or was enrolled in an approved program, is dissatisfied with the determination, and has been misled by the institution regarding any significant aspect of that program, he or she may file a complaint with the Private Training Institutions Branch (privatetraininginstitutions.gov.bc.ca).

PROCEDURE FOR GRADE APPEAL

If a student is dissatisfied with a grade received and can provide evidence that a higher grade is warranted, he/she should discuss with his/her instructor. The instructor will reconsider the grade and, if warranted, assign a different grade.

If the student is not satisfied with the outcome of his/her appeal to the instructor, he/she should submit a written appeal to the Senior Educational Administrator.

If the student achieves a higher grade on re-assessment, the higher grade will be assigned to the student. If the student achieves a lower grade on re-assessment, the original grade will be retained.
